Sir:

In fulfillment of the requirements of candor and good faith set forth in 37 C.F.R. §1.56, Applicants submit herewith the following Information Disclosure Statement in accordance with the provisions of 37 C.F.R. §1.97 and §1.98. It is understood that the information provided herein is solely for the purpose of fulfilling Applicants' obligations under the law and should not be construed as, nor is it intended to be, an admission of prior art.

The above-identified application is the National Stage of International Application No. PCT/GB2003/004624. A copy of the International Search Report for International Application No. PCT/GB2003/004624 is enclosed. Each patent document listed on the Form PTO-1449 was cited in that search report.
